

Remote Digital Marketing Internship

Blaze Digital Services is a boutique digital marketing agency headquartered in Tallahassee, Florida. We help local business owners, nonprofits, and entrepreneurs generate more leads and increase their sales using digital marketing techniques. Our specialties include marketing strategy and consulting, digital advertising, organic and paid social media management, email marketing, and search engine optimization. We are a small team of results-driven professionals. We are constantly looking for new ways to up our game and provide more value to our clients, while measuring the success of everything we do.

We are looking for an intern with excellent communication skills and a strong attention to detail to join our team. The internship is fully remote and is approximately 16-20 hours a week. We are flexible with the hours, but ideal candidates are available at least 3 days a week during normal business hours, Eastern Time.

During this internship you will gain first-hand experience:

- Creating graphics, reels and short videos for social media
- Scheduling blog posts, social media posts, eblasts, and newsletters
- Researching for newsletters, landing pages and blogs
- Drafting and editing blog posts, social media posts, newsletters, eblasts, and webpage content with minimal grammatical errors
- Curating relevant materials for blog posts, social media, and other content pieces (photos, videos, graphics, etc.)

Qualifications include:

- Excellent writing skills, verbal & written communication skills, highly organized, knowledge of proper spelling and grammar & a keen attention to detail are a must
- Currently enrolled Undergraduate Junior, Senior or Graduate Student in a communications-related field
- Experience with content creation and/or marketing tools such as Canva, Slack, MailChimp, Constant Contact, and/or WordPress is a plus

This is an unpaid internship but you may work with your school to receive college credit. Depending on performance and mutual fit, there may be an opportunity to transition into a paid independent contractor role following the internship.

To apply, send a 1-page resume, 2-3 references, and a cover letter outlining your relevant experience and why you want this internship to info@blazedigitalservices.com.
